

NHAN NHU NGOC

FRESHER DATA ANALYST

Go Vap District, Ho Chi Minh city | +84 90 876 1230 | [Email](#) | [LinkedIn](#) | [Github](#)

SUMMARY

Pursuing a career in data analyst, familiar with Python, SQL, and Power BI, and a strong belief in uncovering insights behind the numbers. Experienced in data processing, querying, and visualization. Eager to apply analytical thinking and continuously sharpen data skills in a dynamic, collaborative environment.

EXPERIENCE

Bovie Cosmetics | Team Leader

Jun 2024 - May 2025

- Led the Customer Service and Marketing teams, ensuring excellent customer experiences and brand engagement.
- Developed and executed marketing campaigns to enhance brand awareness and drive sales.
- Managed employee attendance and work schedules to ensure efficient operations.
- Supervised the Livestream team and in-store Sales team, optimizing performance and sales strategies.
- Assigned tasks and delegated responsibilities based on directives from upper management, ensuring timely execution.
- Worked with external partners, oversaw store construction, and took primary responsibility for all in-store activities.
- Provided training and support to enhance the sales and customer service skills of team members.
- Monitored team performance, proposed workflow improvements, and optimized operational efficiency.

BCI Central | Sale Administrator

Mar 2021 - Mar 2022

- Drafted renewal sales contracts based on the templates and client details provided by the sales staff; keyed in and confirmed sales of new and renewal subscriptions in the internal system.
- Entered all expense payments arising in all Vietnam offices; checked and confirmed the accuracy of monthly financial reports submitted by the outsourced accounting company.
- Worked closely with the HR and Sales departments to ensure all contracts were paid by clients.
- Fully understood and worked directly with the internal Order System.
- Received and distributed incoming/outgoing service contracts.
- Wrote legal invoices and sent them to clients.
